REASONS FOR MAYOR AMES

A LETTER IN JUSTIFICATION OF THE ADMINISTRATION PUBLISHED.

The Proclamation in the Saturday's Globe calling on the Railroads to Advance Freight Answered by General Manager Quinn of the St. Paul—Some Improvements Why a Railroad Should Be Allowed to Change Its Own Business—The Order Practically Acted.

ST. PAUL, Minn., Oct. 27.—[Special.]—The well-known Democratic War Horse Hon. Mark Dunn, Ex-Mayor of St. Paul, and Democratic candidate for Congress in the Fifth district, has written a letter to the Globe, which appears in this city this morning, in which he gives his reasons for supporting Mayor Ames for re-election. Mr. Dunn is a Democrat of the old school, and has been a prominent factor in the Democratic party for many years. He is a lawyer by profession, and has been a member of the Democratic National Committee from Minnesota for a number of years. He is a man of wealth, and has always been considered a conservative Democrat. His letter is a complete vindication of Mayor Ames, and will be read with interest by Democrats throughout the country. Mr. Dunn's letter is as follows:

ST. PAUL, Minn., Oct. 27, 1896.—To the Editor of the Globe: Having been solicited by a number of my friends to state my reasons for supporting Mayor Ames for re-election, I have concluded to do so through the columns of the Globe, as it is the only paper in the city which has published a statement of the reasons which have induced the Democratic leaders who are making the Democratic campaign this year to refuse to support Mayor Ames. I have been a Democrat all my life, and have always supported the Democratic nominees, and I shall support the Democratic nominee for Governor and the Democratic nominee for Congress in the Fifth district, and I do not intend to bolt the Democratic ticket in any way, but I do not consider the municipal election as political, and I do not consider that the Democratic party has any interest in the election of a Democratic Mayor of St. Paul, and I do not consider that the election of a Democratic Mayor of St. Paul would have any influence upon the election of Democratic Governor or Democratic Congressmen
